**OUR VISION**

To improve the lives of children/families and communities by building shared understanding and commitments to our community.

**OUR MISSION**

To support programs and initiatives that effect positive change now and in the future.

**G R A N T M A K I N G**

**Minneapolis Community Grant Making**

**Community Vitality**

We seek to enhance the vitality of Minneapolis, Minnesota through cultural organizations that build a shared understanding and commitment to our community.

**Youth**

We seek to empower economically disadvantaged middle school youth (ages 12-14) by supporting their families and guide them to achieve long-term stability and well-being.

**Children & Families**

We seek to enhance the vitality of Minneapolis, Minnesota through programs such as arts, civic and cultural organizations that build a shared understanding and commitment to our community.

**New Haven Community Grant Making**

**Community Vitality**

We support a coalition of funders, advocates and education organizations that have come together to address systemic change and reduce CO2 pollution.

**Children & Youth**

We support groups in the Upper Midwest states to mitigate climate change by making targeted investments to bring about systemic change in schools.

**ENVIRONMENTAL GRANT MAKING**

Mitigating Climate Change

We support programs in the Upper Midwest states to mitigate climate change by making targeted investments to bring about systemic change in schools.
